## N-Step Birthday Party & Studio Rental

Here at N-Step, we love to celebrate birthdays! We can create a birthday party full of magic and surprises for your child AND make it a “piece of cake” for mom and dad! Choose from our complete packages below or we can design a customized party to fit your needs. Each party lasts 2 hours and is led by at least 1 staff host.

### Princess Party Girls ages 3-8

Celebrate your special day through the enchanted world of a princess. Dance “under the sea” with Ariel, travel “a whole new world” with Jasmine, and learn how to dance like Belle and Snow White. The birthday girl can wear the most beautiful Princess dress of her choice and her guests will love dressing up in tiaras, tu-tu’s, and fabulous jewelry. This party includes sparkly princess make-overs, private princess dance class, and fun-filled fairy-tale games to create a beautiful birthday celebration!

### Pirate Party Boys ages 3-8

Arrrg! You’ll be the coolest pirate in town when you celebrate your Pirate Birthday party at N-Step. Each boy will be supplied the pirate essentials while they walk the plank, jump over hungry crocodiles, and even go on a Treasure Hunt! The Pirate Party includes pirate face painting (no pirate is complete without an eye patch and mustache!), and the birthday boy will receive his very own Pirate hat! It’s a treasure-filled birthday celebration.

### Hip Hop Party Boys and Girls ages 6+

So you think you can dance? Bring your moves and your coolest threads to this party. Learn a hip hop dance and perform it with cool party lights and more! Everyone gets a private hip hop dance class, glow-in-the-dark bling, and all the rage games. Go home with a new dance routine that will impress your friends!
